

Soils - Sustainable, Productive & Profitable

HAMILTON -

**HIRL Bandicoot Room,
333 North Boundary Rd, Hamilton**

Soils are the key to sustainable, productive and profitable farm businesses. Young Agricultural Professionals are invited to a FREE workshop at Hamilton this will be an interactive and hands on workshop.

The workshop will explore:

- Understanding and identifying soil constraints
- Reading and interpreting soil test results
- Making fertiliser decisions that are sustainable, productive, and profitable
