[grdc.com.au/about/our-industry/national-grower-network](http://grdc.com.au/about/our-industry/national-grower-network)

**You are invited to attend this GRDC National Grower Network Forum to contribute your ideas, issues, constraints and opportunities for RD&E investments to enhance grower profitability in your local region.**

**Hear from guest speaker, Professor Chris Preston - Adelaide University, who will present on Pre-season weed management and herbicide resistance.**

**Joining the forum is Greta Duff - Research & Extension Cropping Coordinator at SFS, presenting an update on GRDC projects.**

**This free of charge forum is open to growers, advisers, researchers and industry.**

**Topics:**

- Identify challenges and opportunities impacting farm profitability
- Contribute to local RD&E investments
- Pre-season weed management and herbicide resistance
- GRDC project update
