

Optimising
Irrigated Grains

Maize Field Walk

SFS
GRDC

GRAINS RESEARCH
& DEVELOPMENT
CORPORATION

Are you currently growing maize for either grain or silage,
or interested in growing maize in the future?
If so come along to this maize field day to learn how to
grow a high yielding crop.

Monday 20 March 2023

3:00pm to 5:00pm (incl drinks)

“Brookfield” 4873 Frankford Rd, Thirlstane, Tas

Topics

- Growing Maize at Thirlstane, current agronomic practices, variety, challenges
- Maize Agronomy – Marcel Labandera (HSR Seeds) and Jason Scott (Pioneer Seeds)
- Fertilising for High Yielding Maize – Scott Palmer (SLTEC)
- WaterCan App - Rowan Eisner (UTAS)
