

# Making Sense of Soil Carbon, Multi Species and the SoilKee Machine.

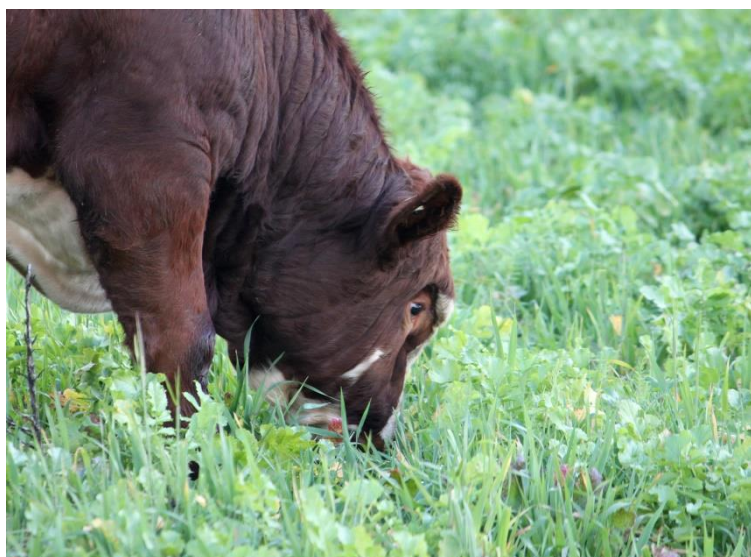

## Thursday 8 June 2023, 9.30am - 1.30pm

### Mingawalla Ag, 1420 Warrowie Rd, Beeac VIC 3251

*This FREE event is hosted by CCMA, Southern Farming Systems, Upper Barwon Landcare, Irrewarra Farmcare & Geelong Landcare Network.*

#### Join us for a discussion and demo:

- Grant Sims (Downunder Covers). His insight into the world of cover crops and biological farming.
- John Hopkins (Wormbete Simmentals, Junee NSW). His transition story from a traditional mixed farming system to a system that incorporates increased natural biodiversity and multi species cover crops – what's worked, what hasn't.
- Niels Olsen (SoilKee) The Soilkee story, it's development, it's fit and where to from here.
- Will Dexter / Lachie Barclay (Mingawalla) SoilKee demonstration and April Soilkee sown paddock inspection.

#### Registration:

Please register by 1 June
