*As a woman involved in an agricultural business, you are invited to participate in a Soil  
Management Workshop covering the 4 S's*

*(Soil acidity, Salinity, Soil assessment and Spring pasture management)*

### ***On the day***

- *Practical tips on soil & tissue testing, monitoring & visual assessment of soil condition*
- *What are the trace elements that might be limiting pasture production*
- *Liming and how to use the lime calculator*
- *Spring pasture management reminders*
- *Lunch provided*
- *Farm Walk - please remember to wear warm clothes & weatherproof boots.*
- *Collect copies of new MLA factsheets*

***New Participants are WELCOME!***

Australian Government

This project is supported by Glenelg Hopkins CMA through funding from the Australian Government.
