

# Boost your sub-clover

## Rokewood Recreation Reserve

14 McMillan St, Rokewood

Producers and industry stakeholders are invited to participate in a **FREE workshop** that will help you assess and improve the sub clover content in your pastures with Lisa Miller & Jessie Wettenhall, SFS.

- **Best methods of establishment**
  - Oversowing and/or broadcasting
- **Grazing management**
  - When and how to graze to favour sub clover
- **Diagnosing why your sub clover may be poor**
  - Tools and diagnostic pathways
- **Identify the cultivars you have**

**22 April**  
**9:30-1:00pm**

*Morning tea & lunch provided*
